PRIME ARMOR

SOLID COLORED EPOXY MAT LAY UP WALL SYSTEM

PRIME ARMOR 3601 is an impact and abrasion resistant wall system designed for application over drywall to increase substrate durability. The resin-impregnated engineered fabric provides additional strength and prevents absorption of moisture into the substrate.

COMMON APPLICATIONS

Wall and ceiling areas where maximum durability is required and where constant water or wash down procedures are occurring. Specific applications include, but are not limited to: healthcare, educational and correctional institutions, animal care facilities, research and laboratories.
